- (3) In case of Joint venture, agreements if any should be legally/technically valid and certified true copy should be enclosed and separately sent by the Joint venture partner from offshore direct to the MD, PHRC confirming the interest and validity of Joint venture from country of Joint venture by registered post.
- (4) Proof of Company's financial capabilities, including audited accounts for the last three- (3) years, along with corresponding tax clearance certificates (Yearly Turnover of at least N1.5Billion for the last three years).
- (5) Copy of current Department of Petroleum Resources (DPR) registration certificate in relevant category to operate as a contractor in the oil industry
- (6) Certificate of current registration with NIPEX.

- (7) Bank reference(s) from reputable bank(s).
- (8) Value Added Tax (VAT) registration and evidence of past VAT remittance.
- (9) Organizational structure and available work force (with proposed organisational chart for this specific project and verifiable CVs with relevant experience).
- (10) Company's CASHES and QA/QC policy including proposed plan for this specific project.
- (11) Relevant and verifiable cognate experience with NNPC, or other organizations, on similar work involving welding and fabrication in the past five-(5) years stating the:
 - (i) Title of project (s)
 - (ii) Brief description of project (s)
 - (iii) Client(s)
 - (iv) Scope of work performed
 - (v) Date of award of contract(s)/contract value
 - (vi) Contractual period for execution of project
 - (vii) Actual period of execution/completion certificates
 - (viii) Reasons for discrepancies between (vi) & (vii) above if any
 - (ix) Nature of contract (fixed lump sum, reimbursable, etc).
 - (x) Name and address of a referee in Client Company for each project indicated (provide telephone numbers, fax and e-mail address for quick reference).
- (12) Proposed delivery and payment terms for the work or project.
- (13) Nigerian Content:

- Evidence of presence in Nigeria.
- Plan indicating utilization of Nigerian Materials, goods, Services and Manpower including COREN certified personnel.
- Established presence in Nigeria including investment(s) and plan for training/transfer of technology to Nigerians.

(14) Any additional information that would enhance the potentials of the company.

(15) Only proposal from relevant experienced Engineering and construction firms with financial capability and sound technical knowledge shall be considered for commercial evaluation.

Two copies of each (technical and commercial) bid documents which shall be sealed and marked "Confidential (Rehabilitation of the FCC Regenerator for PHRC Limited)", should reach the address given below, **not later than 9th March 2015.**

**Corporate Head Quarters,
GGM Supply Chain Management
Central Business District.
Herbert Marculey Way,
Abuja, Nigeria.**

Important Information:

You should provide PHRC with a letter of Authority to investigate all claims made especially as it relates to your previous relevant experiences.

Please note the following:

- (1) The commercial bids of any company that failed to satisfy technical bid conditions will not be open for evaluation and therefore stand disqualified.
- (2) PHRC reserves absolute discretion and right to either accept or reject any documents and it shall not be required to assign a reason for refusal to open your bid or to enter any correspondence concerning the selection of any contractor for the services.
- (3) All cost incurred by you as a result of this bidding exercise and any subsequent request for information shall be at your expense.

(4) The inspection of the job at PHRC site commences from the day of this publication on Tuesdays & Thursdays (between 10am to 3pm) within the first two weeks.

(5) All the interested companies shall pay a non-refundable bid fee of N250,000.00. (Two Hundred and fifty thousand Naira only) to collect the bid documents.

(6) The Bidding exercise and any related process neither creates any commitment by PHRC nor establishes any legal relationship.

Signed:

Management
