

Jigawa State Rural Water Supply and Sanitation Agency (RUWASA)

Shawarin Dutse, Jigawa State

Invitation to Bid

The UNICEF/DFID Sanitation, Hygiene and Water in Nigeria (SHAWN) Programme aims to contribute to the reduction of water-related diseases and improved health outcomes in selected rural areas of Nigeria through accelerated and sustained progress in safe excreta disposal, the adoption of basic hygiene practices and access to safe drinking water across communities of 4 states in the federation. Jigawa State is one of the four states and is receiving the support in 3 LGAs namely Roni, Birniwa and Birnin Kudu.

It is in line with one of its purposes to provide access to safe drinking water and sanitation services in the rural communities of the state that the programme is seeking to engage prequalified drilling and civil engineering firms to construct water supply facilities in selected rural communities of Roni, Birniwa and Birnin Kudu LGAs of Jigawa state.

Thus, the Jigawa state Rural Water Supply and Sanitation Agency, implementers of the Programme, hereby invite bids from UNICEF D Field Office pre-qualified contractors and the under listed recently pre-qualified firms to submit bids for award to construct boreholes from the following lots,

Lot A

This shall comprise bids for borehole locations in Roni LG A only

Lot B

This shall comprise bids for borehole drilling in communities of Birniwa LGA only, while

Lot C

This shall comprise of locations in Birniwa Kudu LGA only
