

BRITISH COUNCIL

Invitation to Tender – Core Skills Professional Development Trainers

Are you an expert trainer with a track record of successfully delivering professional development training to primary/secondary teachers and or school leaders?

The British Council seeks to appoint an expert trainer or trainers to deliver high quality face-to-face training interventions for teachers and/or school leaders on the British Council Core Skills training packages in Nigeria for a period of 12 months (pending successful supplier performance, extensions for up to a further 2 years will be considered).

We welcome bids from individual suppliers as well as from organisations offering individual trainers. Suppliers can specify whether they wish to be considered only for teacher training or only for school leader training. Please visit <http://www.britishcouncil.org.ng/professional-development-trainers> to download invitation to Tender (ITT) document for more details.

Each appointed supplier will deliver training interventions as part of an agreed programme of delivery agreed with the British Council. The programme of delivery will align with curricular priorities and opportunities for schools in Nigeria – including primary, secondary and special schools.
