

**Modibbo Adama University of Technology, Yola**

**(Office of the Registrar)**

**Invitation to Tender for 2013-2014 Tetfund Merged Normal Intervention Projects**

**Background:**

The Modibbo Adama University of Technology (MAUTECH) Yola wishes to construct the underlisted projects within its main campus in Yola. Interested contractors with the requisite technical and managerial capacity are hereby invited to tender for the following lots:

**PROJECT DESCRIPTION:**

Lot 1: Construction of Deanery for School of Post-Graduate Studies

Lot 2: Construction of Deanery for School of Technology and Science Education

Lot 3: Construction of Deanery for School of Environmental Sciences

Lot 4: Construction of Laboratory Complex for Departments of Physics and Chemistry

Lot 5: Construction of Laboratory Complex for Departments of Biological Science and Microbiology

The main building (in each case) is as designed a concrete framed structure on ground beams. Roof is 0.55mm guage longspan coloured aluminium corrugated roofing sheets on structural steel trusses, Walls are made of hollow sandcrete blocks laid stretcher and precast blocks in cement and sand mortar (1:3). Doors are double leaf single swing security door complete with steel frame and ironmongery and solid core hardwood flush and panel doors with Steel Frames. Windows are factory glazed powder coated aluminum casement and projected windows with 6mm thick clear glass and steel burglar bars. Fittings and fixtures are made of laminated finished plywood wardrobes for rooms and offices with concrete work tops in laundry and kitchens. Wall finishing includes cement and sand mortar (1:3) and emulsion paint generally externally and internally as well as brick facing tiles to the external. Floor finishes are with vitrified unglazed ceramic tiles. Ceiling finishes are acoustic suspended ceiling boards with emulsion paint on rendered soffits generally.

Electrical Installations include lighting and power fittings and sockets which are all served with pvc insulated cables in G.I. conduits. Mechanics/plumbing installations are with upvc and galvanized iron pipes with all necessary fittings and sanitary appliances. Ventilation and A/C installations are wall mounted splits. External works shall include paved walkways, kerbs and general landscaping.

**PRE-QUALIFICATION REQUIREMENTS**

Unending Contractors are required to submit all of the under-listed verifiable documents in duplicates (Original and photocopies:)
