As presented in the summary table above, there are a total of 543 health facilities across all 17 LGAs in Akwa Ibom State. Of this number, 65% (355) are Primary Health Care facilities, 187 are Secondary Health Care facilities and one is a tertiary health care facility. At the Primary Health Care level, 354 (63%) are public owned except one which is privately owned. At the Secondary Health Care level, 41 (22%) are public owned while 146 (78%) are privately owned. The only tertiary health facility is a tertiary health care facility.
