	593		139		2		

From the summary table presented, there are a total of 734 health facilities across 18 LGAs in Cross River State. Of this number, 81% (593) are Primary Health Care facilities,

139 are Secondary Health Care facilities and two are tertiary health care facilities.

Of the 593 PHC facilities, 97% (575) are public owned and the remaining 18 (3%) are private providers. At the Secondary Health Care level, 16% (22) of the 139 health facilities are public owned while 117 (84%) are privately owned. There are two tertiary health care facilities which are public owned.
