		524		342		2	

From the summary table above, there are a total of 868 health facilities across 17 LGAs in Enugu State. Of this number, 60% (524) are Primary Health Care facilities, 342 are secondary health care facilities and two are tertiary health care facilities. Of the 524 PHC facilities, 83% (438) are public owned and the remaining 86 or 17% are private providers. At the secondary health care level, 14% (48) of the 342 health facilities are public owned while the two tertiary health facilities are public owned.
