

# Overview

## **LAGOS STATE GOVERNMENT**

### **OFFICE OF PUBLIC-PRIVATE PARTNERSHIPS & MINISTRY OF HEALTH**

#### **REQUEST FOR EXPRESSION OF INTEREST (REOI) FOR THE DEVELOPMENT OF A SMART HEALTH INFORMATION PLATFORM (SHIP); AN E-HEALTH STRATEGY FOR THE LAGOS STATE MINISTRY OF HEALTH**

##### **(1.0) BACKGROUND**

The E- Health strategy of the Lagos State Ministry of Health (LSMOH) is a collaboration initiative with stakeholders in developing a sustainable Smart Health Information Platform (SHIP) to connect the entire health ecosystem in Lagos State.

This will enable connectivity and strengthening of the healthcare system and governance in the State to deliver better, faster and smarter healthcare services.

##### **OBJECTIVES**

The main objectives of the strategy are

- (a) Enable a swift and efficient healthcare delivery system and ensure widespread access to healthcare
- (b) Monitor and measure all health cases within the State;
- (c) Ensure the efficient operations and delivery of healthcare in State-owned
- ( d) Ensure adequate allocation of resources to all tiers of healthcare facilities to guarantee efficient and effective services;
- (e) Protect sensitive and confidential patients' record/information.
- ( f) Generate revenue by delivering the highest quality, yet cost- effective healthcare.

##### **(3.0) PROJECT SCOPE**

The Project Scope includes, but is not limited to the following components;

(i) Assessment of existing network infrastructure in State- owned medical Facilities

(ii) Design and propose a full systems architecture that will provide the Lagos State Ministry of Health (LSMOH) with a software that allows it to:

(a) Have real-time oversight over all its facilities across the State;

(b) Offer full range of medical services to patients at all facilities through a quick and easy interface

(c) Interface with multiple applications and store critical data;

(d) Analyze critical data metrics and generate reports to enhance the prevention and control of disease;

(iii) Install and implement the solution within the LSMOH and across all State healthcare facilities;

(iv) Provide standards and a manual guide for operation/maintenance of the software platform and Its Integration with 3rd party applications.

#### **REQUIREMENTS FROM INTERESTED PARTIES/CONSORTIA**

- Full name of company and contact person, postal address, telephone/fax numbers, and e-mail addresses.
- Ownership structure including name(s) of shareholders and percentage shareholdings.
- Company registration including Certificate of Incorporation, certified true copies of Memorandum and Articles of Association and CAC Form C07 or its equivalent
